## Weddings 2018

The Coppleridge inn is a stunning country retreat, set in 15 acres of meadows and woodland, overlooking unbroken views of the Blackmore Vale. The Coppleridge has been offering wedding services for over 20 years and the team here have a wealth of knowledge and experience to help make your special day, just that.

Our Barn is 18th century and has been carefully restored, retaining the beautiful oak beams, and with a log burner provides a function room full of atmosphere and character. The Barn is licensed for civil ceremonies as is our smaller garden room for more intimate weddings.

We also offer full licenced civil ceremonies in our new romantic Woodland Pagoda, with the additional back up of the Barn in the event of inclement weather.

We have a number of function areas available for the wedding Breakfast and evening reception with the largest being our new marquee which seats up to 150.

Outside we have the sun terrace with fabulous views which is a wonderful area to relax and enjoy pre Wedding Breakfast drinks and again, weather permitting is a unique setting for the Wedding breakfast itself.

The farm buildings surrounding the courtyard have been converted into ten luxurious and spacious en suite bedrooms and these are available for you and your guests to stay over the period of the wedding celebrations. A special offer is available to all guests staying of £160.00 for a double room bed and breakfast for two consecutive nights.

For the younger members of the party we have a playground and famous chickens to help them through those boring moments and to take the pressure off of their parents!! We have our own hairdressing salon on the premises - for appointments please ring Liz on 01747 852010.

One of the great advantages of having your wedding reception at the Coppleridge is our flexibility. Rather than offer you a list of fixed menus we would prefer to tailor a menu, hot or cold, to your requirements and budget, always trying to include your personal favourites.

Our wine list is extensive but once again it is no problem for us to supply any drinks that we do not normally stock. We also have our own in house florist who will be delighted to help you with your floral requirements.

We have many local contacts who we are happy to recommend from photographers, cake makers, discotheques, car and taxi firms and musicians for your reception. We do not however force you to use these contacts.

Whether you want your special day to be formal or informal, flexibility and service are our fortes, so please let us know any special requirements that you may have and we shall try our utmost to satisfy them.

Please contact the weddings co ordinator, for any further details or look up our weddings section on our website [www.coppleridge.com](http://www.coppleridge.com)
